Dear Parents and Carers,

The building work has progressed well and I'm delighted to say that on Monday 16th March, **Year 1 and 4** will be in their new temporary refurbished classrooms.

To support these developments we will be implementing changes with regard to accessing the school site for dropping off and picking up, in order to support parents.

YEAR 1, 4, 5 AND 6 Parents will use the side gate nearest the field, as they currently do, **Chagall** will still use the side door adjacent to the hall, **de Hooch, Teerlinc** and **Morisot** will use the outside doors to their classrooms, opposite the field.

YEAR R and Greenhaven No Change

YEARS 2 AND 3 Parents will continue to use the entrance by our Reception classes, then proceed through the playground. **Year 3** will use the central door to their block, **Year 2** will continue to use the outside doors adjacent to the field.

After School Club and **Breakfast Club** will be moving into our **Greenhaven** classroom, using the side gate next to Reception class and walking up through the playground.

I'd like to thank you all for your continued support during the building work, if you do have any questions or concerns, please speak to your class teachers or the office.

Kind regards

Miss S Cox
